

## TRACKWISE STATEMENT ON ROHS (2) REGULATIONS

Trackwise is committed to providing products which are safe with respect to the Environment and Human health. Therefore Trackwise takes consideration of the European Union RoHS directive (**RoHS Directive 2011/65/EU**) which prohibits the following substances in amounts more than the agreed levels.

- lead (Pb)
- cadmium (Cd)
- mercury (Hg)
- hexavalent chromium (Cr6+)
- polybrominated biphenyls (PBB)
- polybrominated diphenyl ethers (PBDE)

Trackwise is able to advise that all products are produced to our customer's specification and are in compliance with the above RoHS regulations. To the best of our knowledge these products do not contain any of the listed compounds in concentration exceeding the thresholds of 0.1% by weight in homogeneous material for Lead, Mercury, Hexavalent Chromium, PBBs and PBDEs and of 0.01% by weight in the homogeneous materials for Cadmium.

This information is based on the Material Safety Data Sheet (MSDS) information provided from suppliers of raw materials. Trackwise accepts no responsibility for incomplete or inaccurate MSDS information.
